Summary - Assignment - AM (3%)

Quiz Period Over Description

Follow the instructions below and the Question Text.

- (a) Type your step-by-step calculation in the Electronic Answer Book as an **attachment** to support your work below Your Answer. The question description should not be typed/written on your Electronic Answer Book as your Brightspace question description will be used for grading.
- (b) Type **Your Answer** (numerical) according to the specified precision required by Brightspace in the box below the Quiz question for grade.
- (c) Allow two attempts in (a) and (b) for submission and only the last attempt will be graded.
- (d) After (a), (b), and (c), click **Submit Quiz** for grade.
